

PACKAGING

Five boxes

- ① TABLETOP
- ② DRAWERS
- ③ BOX 1
- ④ BOX 2
- ⑤ MECHANISM

② The packaging of box 1 and box 2 are illustrated above.

② In this view, you can see the box containing the wooden panels needed for assembling the three drawers. On the right, the box is showed in a closed position.

① The tabletop is packed in a seperate box. We use four seperate boxes for storing the wooden panels; one for the tabletop, one for the drawers and one for each box.
